DCS Practice Indicator Report Visitations and Contacts Report

For November 2009

Report Description

This report uses data collected over at the end of the current report month. The graphs and numbers for historical months also use data from the historical month listed. For the purpose of this report, a person is considered family for the child if they have the following relationships:

- Father
- Mother
- Stepfather
- Stepmother
- Grandfather
- Grandmother
- Pre-adoptive father
- Pre-adoptive mother
- Adoptive grandparent
- Legal Guardian

FCM Contacts With the Child's Family Occurring During the Month – This section of the report deals with data involving FCM contacts with the family of the child that occurred during the report month. The child may or may not be present at the contact.

Children – This is the total number of children that the FCM had at least one contact with a member of the child's family during the month.

Average Per Child – This is the average number of contacts that FCM had contact with a member of the child's family for those children who had at least one contact during the month.

Child Visitations with Family Occurring During the Month – This section of the report deals with data involving child visitations with the family of the child that occurred during the report month.

Children – This is the total number of children that had at least one visitation with a member of the child's family during the month.

Average Per Child – This is the average number of visitations that the child had with a member of the child's family for those children who had at least one visitation during the month.
